## Royal Galician Football Association

Youth Football Training & Spanish Culture  
 8 Days Training Camp in Spain

### Calling for all the young ones who love football!

Let us rush out of Asia, and go directly to Galicia, Spain! Let Spanish football takes us to expand our international vision and move towards the world's interactive communication professional football platform!

This football camp enables students to enjoy the Spanish-style traditional football training in Galicia, Spain. With the national training facilities and will be trained by a Spanish UEFA Pro trainer. Through professional training and friendly competition with youth teams of the local football clubs, in order to improve the football skills and techniques.

### THIS CAMP INCLUDES:

- The overall assessment of the students,
- A friendly match with the youth team of the local football club,
- Personal football skills, such as ball control, passing, shooting and defending the Gate.
- Spanish Class - bilingual experiences such as Spanish and English that stimulate language potential
- Sightseeing to the World Culture Heritage site: The Camino de Santiago, The Cat Cathedral of Santiago in Galicia, Spain (Final destination of the Pilgrimage Route)
- One free headcount for the coach/ a parent (must be over 20 years old) to accompany the team to Galicia, Spain

*We welcome 10 to 17 years old boys and girls to join us!*

### Exclusive in Hong Kong!

The Royal Galician Football Federation will appoint the best UEFA Pro trainer as the head coach of this training camp, using the most professional facilities and venues for the training. We will arrange for a friendly match with a youth team of a local football club. Upon completion of the camp, the student and team leader will receive an official diploma/ Certificate issued by the Royal Galician Football Federation. The entire training course will be conducted in English. If necessary, we can also send a translators to accompany you. The head coach will select the most valuable players (MVP) at the end of the camp and will assist and guide this MVP to the way of the professional football players in both training and as a future career.

### Stimulate language potential

The training course provides students with an introductory Spanish course. Spanish is spoken by about 500 million people worldwide. According to the number of first language users, Spanish is the second largest in the world, second only to Mandarin. Together with the second language population, the total number of users is ranked third in the world, after Chinese and English. Students can experience local life and socialize in a Western-speaking environment.

### Visit the Cathedral of Santiago in Galicia, Spain (Final destination of the Pilgrimage Route)

In addition to the skills and language, the training camp will also arrange for the visit to the local world cultural heritage, the Cathedral of Santiago in Galicia, Spain. Excursions in places of interest and history, and exposure to Western religions, history and culture will enhance the cultivation of students in culture and aesthetics.

### Create a WhatsApp/ WeChat Parents Group

The camp with the team director will be in touch with the parents at any time, parents can immediately know the latest situation of their children, so that parents can rest assured.

### Lectures on precautions for young people

Team coaches, parents and students must attend the pre-trip lectures, which will be presented by the group director and Sally Lui, the representative of the Spanish Royal Galician Football Association in Asia. The time, place and details will be notified to the team coaches, parents and students after successful registration.

### Enjoy world-class professional Spanish League "La Liga" football matches

If the students choose to go to Galicia, Spain for this football camp and in the course of La Liga, we will have a chance to enjoy a match and to see the La Liga football stars.
